Your donation will be represented by a brick on our "Encouraged By God" wall display in the Welcome Center

You may include a short testimony for your brick

"I arrived at CtK exhausted, broken, dispirited and full of painful concern. I leave lighthearted with laughter and love in my heart and hope for the future and trust that my Lord will lead me where He wills."

"For the first time, a little boy from Greenwich experienced the love and friendship of Jesus when he attended Beaver Cross summer camp. He requested and received a bible from camp staff so he can read and learn more about Jesus for himself."

"Our quilt group had the most wonderful weekend! It's the best gathering of quilters I have ever been to. Thanks to everyone for the special attention, good food and accommodations. Thank you for your attention to detail and being so easy to work with."

"My wife and I went to CtK for renewal, rest and relaxation. From the moment we exited our car at the visitor's center we could feel God's presence in a very special way. We could just sense good things were in store for us."
